

# HOW TO GET A FREE MOTORCYCLE PASS

April 2015

## How should motorcycles get ready for the I-405 Express Toll Lanes?

Motorcycles will need an active *Good To Go!* account and Motorcycle Pass in order to drive in the I-405 Express Toll Lanes without being charged a toll.

## How do I set up a *Good To Go!* account and register my pass?

After you receive your Motorcycle Pass, you will need to link it to an active *Good To Go!* account.

- If you already have a *Good To Go!* account, you can add your new pass to your account at GoodToGo.com or by calling 1-866-936-8246.
- You can set up a new *Good To Go!* account at GoodToGo.com or by calling 1-866-936-8246. Establishing an account will require a \$30 deposit. This deposit is your money to cover payments of future tolls on any toll road in Washington. You can also register multiple vehicles to a single account.

## Where can I purchase additional Motorcycle Passes?

If you don't qualify for a free Motorcycle Pass or have multiple bikes, you can purchase additional Motorcycle Passes for \$8 (plus tax) each at GoodToGo.com, by calling 1-866-936-8246, or at any *Good To Go!* customer service center.

## Can I still get a free Motorcycle Pass for a second bike if I already own a pass?

Yes, any motorcyclist who uses I-405 can request one free pass while supplies last.

## Why is a *Good To Go!* account and pass necessary?

A Motorcycle Pass is necessary in order to signal our tolling equipment to not send a toll bill. Motorcycles without an active *Good To Go!* account and Motorcycle Pass will receive a bill in the mail. This is the most reliable and cost effective way for us to identify motorcycles.

## How can I request a free *Good To Go!* Motorcycle Pass?

WSDOT will provide motorcyclists who travel on I-405 with one free *Good To Go!* Motorcycle Pass per person while supplies last in 2015. To be eligible for a free pass, you must live, work, or play in King or Snohomish Counties, and ride your motorcycle on I-405. You can request a free Motorcycle Pass by taking a brief online survey at:

[www.goodtogo405.com](http://www.goodtogo405.com)

## Do carpools, vanpools, and transit also need to go through these steps?

Motorcycles are treated the same as all other vehicles that are exempt from tolls on the I-405 Express Toll Lanes. Carpools, vanpools, and transit are all required to have a *Good To Go!* account and pass in order to drive for free in the new lanes.

## What does the pass look like and where does it go on my bike?

The motorcycle pass is a permanent sticker that adheres to motorcycle headlamp with clear backing. Motorcycle pass will be damaged and unusable if it is moved or adjusted after installation. This protects you from theft and allows you to see if anyone has tampered with your pass. The pass does not affect headlamp light or visibility.
